

REMARKS

The present Submission with Amendment and Remarks is submitted along with a Request for Continued Examination and the requisite fee. Entry of the amendment, consideration of the remarks, and allowance of the claims is requested.

In the previous Office Action, the Examiner rejects pending claims 1-29 under 35 U.S.C. §112, second paragraph. Claims 1-29 are herein canceled, without prejudice. New claims 30-58 are added. The new claims substantively correspond to original claims 1-29, thus no new matter is added. Additionally, new claims 30-58 comply with all provisions of §112. Accordingly, the previous §112 rejections are herein rendered moot. Withdrawal of the outstanding rejections and allowance of the application is respectfully requested.

Applicant hereby petitions for any necessary extension of time required for consideration of the present Submission.

If there are any additional charges with respect to this Submission, please charge them to Deposit Account No. 06-1130 maintained by Applicant's attorney.
